SCHOOL TRANSPORTATION NEWS is a brand intended for individuals with interests in safe and efficient transportation of North American school children. The brand content and editorial scope of the publication includes news and industry comment, in-depth technical articles, industry round-up and special features.

BRAND REPORT PURPOSE

The Brand Report provides a deeper understanding and identification of all audited touch points with customers that have interest in the brand. It is designed to present analysis of all communication channels, including a brand's unique users within each channel of, but not across, multiple media platforms. This non-integrated report contains data for each separate media channel as indicated in the Executive Summary. No attempt has been made to identify or eliminate duplication that may exist across media channels.
