

2019 STN EXPO INDY TRADE SHOW BOOTH REGULATIONS

CONTRACT & PAYMENT

No exhibit space is reserved until STN receives a completed Exhibit Space Reservation Form and payment in full. STN will accept a fax reservation only if paid by credit card. STN may deny exhibitor entry to the trade show if exhibitor is delinquent on any debt to STN on the date of the trade show. STN may apply any payment received from exhibitor to satisfy the delinquency.

EQUIPMENT

STN shall furnish only the following items for booths and bus spaces: one (1) 7x44" one-line identification sign stating the exhibitor's name and booth number, one (1) 6-foot draped table, and two (2) side chairs. Booths will include draperies for an 8-foot-high back wall and 3-foot high sidewalls. Bus spaces will not be draped. Arrangements for special signs, carpeting and additional furniture should be made in advance directly with the Show Decorator (GES). Arrangements or disputes with GES are not part of this contract and not covered by the booth rental fee.

BADGES

Exhibitors receive two (2) complimentary trade show badges per 10x10-foot booth, and four (4) complimentary badges per 10x20-foot booth, for legitimate company employees. Bus OEMs receive up to six complimentary (6) badges per bus space. Badges are required for admittance to the trade show, and include show lunch. Additional vendor badges are \$99 each.

SHOW DECORATOR

Exhibitor shall arrange all decorator services with the GES, including, without limitation, set-up/tear-down labor service and supervision, standard and custom furnishings, signs and graphics, cleaning, custom carpets, electric service and material handling. See GES's electronic exhibitor kit for complete details.

HOURS, SETUP & DISMANTLING

Trade show times are subject to change without notice. All exhibitor buses shall be driven onto the trade show floor between 10:00 A.M. and 2:00 P.M. the Sunday (June 9) before the trade show. Exhibitors shall drive their own bus on and off the trade show floor. Exhibitor shall use a spotter provided by GES to accompany drive-in and drive-out of all buses. All other setup arrangements shall be completed between 8:00 A.M. and 5:00 P.M. one (1) day before the trade show (June 10). Requests for extended set up must be submitted in writing in advance and approved by STN. During any extended set up, exhibitor shall bring only hand-carried materials into the exhibit hall and shall not remove any materials. No exhibit shall be dismantled or removed until the trade show is officially closed. Exhibitor shall begin dismantling its exhibit immediately after the trade show officially closes and all exhibit material shall be removed from the hall no later than 8:00 P.M. that evening.

USE OF SPACE

Exhibitor shall confine all sales and advertising activities, including distribution of promotional material, to exhibitor's booth or immediate area. Exhibitor shall show, discuss, explain, and demonstrate only those goods or services that exhibitor sells in the ordinary course of business. Exhibitor shall comply with all applicable federal, state and local laws and regulations including, without limitation, those relating to advertising and merchandising. Exhibitor shall not engage in an illegal lottery. STN is not responsible for exhibitor's activities.

Exhibitor shall employ only the contractors officially approved by STN, some of which may be subject to local union jurisdiction.

UNUSUAL DISPLAYS

At the earliest practical time after this contract is executed, in no case less than thirty (30) days before the trade show, exhibitor shall submit a written proposal to GES for any unusual display including, without limitation, one that is oversized and may negatively impact neighboring exhibitors, requires special hookup, installation, or other technical assistance, or involves any video projection or any noise-producing equipment sufficiently loud that it may reasonably disturb adjacent exhibitors. STN will endeavor to accommodate the proposal but reserves the right to deny it. STN reserves the right to evict any exhibitor whose exhibit STN deems to be offensive to conference attendees due to bad taste, questionable morals, or controversial content. STN shall not be liable to exhibitor for a refund of exhibit fees for any such denial or eviction.

FOOD SAMPLES

Exhibitor shall not offer any food samples without the prior written consent of STN. Exhibitor shall distribute food samples from exhibitor's own booth only and shall not cause an unsightly or annoying condition. Exhibitor shall provide ample waste containers within exhibitor's own booth, not in aisles. Exhibitor shall indemnify and defend STN from and against any and all claims, damages, or liabilities arising from exhibitor's distribution of alcoholic beverages at the trade show.

STN reserves the right to demand removal of all or any part of an exhibit that does not conform to this paragraph or is deemed hazardous.

LIABILITY

Exhibitor assumes responsibility and agrees to indemnify and defend STN and the Indianapolis Convention Center and its respective employees and agents against any claims or expenses arising out of the use of the exhibition premises, except for acts or omissions on the part of the Indianapolis Convention Center or its employees. The Exhibitor understands that neither STN nor the Indianapolis Convention Center maintains insurance covering the Exhibitor's property, and it is the sole responsibility of the Exhibitor to obtain such insurance. Further, STN does not assume any liability by providing overnight security.
