## INTRODUCING THE SMARTEST, SAFEST BUSES IN THE NATION

### MAKE ANY BUS, A SMART & SAFE BUS

**CrossingGuard+** makes any school bus, a smart and safe school bus by leveraging exterior cameras to enforce illegal passing and interior cameras to ensure both rider and driver safety.

**CrossingGuard+** puts students first by offering secure on-bus WiFi, plus personalized on-board, off-board student RFID identification cards that grant school officials instant access to real-time rider status information. It also gives parents peace of mind knowing the location of their child's school bus.
